## House and Senate Approve Week-Long Continuing Resolution

Both the House of Representatives and the Senate passed a continuing resolution (CR) that will fund the federal government through May 5, 2017. During the period covered by the CR, funding for NIFA programs will continue at Fiscal Year (FY) 2016 levels. President Trump is expected to sign the legislation.

### Next Steps

Congressional Leadership is hopeful that an agreement on appropriations for the balance of FY 2017 will be reached next week enabling enactment of an omnibus bill.

As always, we will continue to keep you informed as further developments occur.
